

## Heatherley Primary School

### Summer Term Newsletter

Dear Parents and Carers,

Summer term has begun with gusto, all the children are back and raring to go, which is wonderful to see especially as we approach such an important period for both Year 2 and Year 6.

On a personal note, I would like to extend my sincere thanks for all the support and "Congratulations" I have received from the parent community since taking on the Acting Head Teacher role.

I have selected a number of useful school information sections below to inform you of past and future events in and around school. As usual please contact myself or the school office for any further information.

#### Baby News

Miss Plumbe welcomed baby Jack on the 29<sup>th</sup> March. She is loving being a new mum and sends her thanks for the well wishes and gifts. She has already visited school to see all the children and will be staying in touch over the Summer and Autumn terms.

#### Sports Day

Sports day will be held on Wednesday 21<sup>st</sup> June. Key Stage 1 and Foundation will race in the mornings and Key Stage 2 in the afternoon. We will confirm times nearer the date. We hope you can come along and join us. Fingers crossed the weather is kind to us 😊

#### Saltmine Theatre Group for Key Stage Two Children

On Monday, 15<sup>th</sup> May, children in Key Stage 2 were visited by Saltmine Theatre Company who performed a play about internet safety. The children then took part in a workshop to understand the importance of staying safe whilst on their computers, tablets and phones.

#### New School Nurse

The school nursing team has gone through huge restructuring, as you may have heard on the news. We have now been allocated a new nurse who will be visiting us on Thursday 15<sup>th</sup> June between 8.30 and 9.15 am to chat to parents and offer advice about any health concerns they may have with their children. Feel free to drop in – no appointment needed!

### Sun tan cream/hats/water bottles

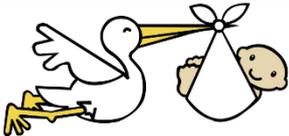

Now the warmer weather is finally coming, please can I remind you to send your child with their sun hats and a water bottles to school. We also recommend that sun cream is applied **before** coming to school in the morning, especially on the really sunny days. Baseball caps with a logo are available to order from the school off ice, should you wish, at a cost of £5.00 each.

### Attendance

Many children achieved their 100% attendance prize last term and we are very proud of them all. Overall our school attendance for the Autumn Term was 96.8% Keep up the good work 😊

### Paternity

Mr Harrison and his wife are expecting their first baby later this month. I am sure you will join with us in offering him all the very best as they welcome their new little family member!

### Summer Fair

We will be holding our summer fair at the end of term, on Friday 21<sup>st</sup> July. We are busy looking at lots of ideas to make this an enjoyable afternoon for everyone. If any parents would be interested in having their own stall, please have a chat with school and let us know where your talents lie.

Thank you again for your continued support. Please feel free to pop up if you have any concerns or positive ways in which we can improve school further.

Stefanie Hanson
